

International Conference on Electrical, Electronics & Optimizations Techniques

3rd – 5th March, 2016 | Tamil Nadu, India.

Session Title - Recent Trends in Modeling, Optimization, Simulation and Application in real world (RTMOSA)

Theme and aim of the special section:

Optimization techniques are used in a wide-spectrum of industries, including aerospace, automotive, chemical, electrical, and manufacturing industries. A number of models can be formulated and solved by using relevant techniques of optimization, depending on type and complexity of the mathematical model. Simulation techniques provide results for multi-variable complex models. Aim of this session is to provide a platform for recent advances in the area of modeling, optimization and simulation.

Topics of Interest but are not limited to:

1. Modeling and simulation
2. Optimization techniques and applications
3. Mathematical programming and applications
4. Duality Theorems of Optimization Techniques.
5. Application of Optimization Techniques to Engineering.
6. Application of Optimization Techniques to Finance.
7. Application of Optimization Techniques to Business.
8. Application of Optimization Techniques to Social Sciences.
9. Application of Optimization Techniques to Biological Models.
10. Application of Optimization Techniques to Animal Diet Formulation.
11. Simulation Models.

Special Session Coordinator Details

Dr. Pratiksha Saxena,

Department of Applied Mathematics,

Gautam Buddha University,

Greater Noida, India-201308

Phone (O)-91-120-2344353

Website: www.iceeot.org

All papers will be published by IEEE Xplore and will be index by SCOPUS

Special Session Title: Recent Trends in Modeling, Optimization, Simulation and Application in real world (RTMOSA)

We are organizing a special session on **“Recent Trends in Modeling, Optimization, Simulation and Application in real world”** in The IEEE International Conference on Electrical, Electronics & Optimizations Techniques (ICEEOT-2016). During 3rd – 5th March, 2016 in the city of Tamil Nadu, India.

Special Session Submissions can only be submitted to the Session Coordinator Mail Id - mathematics.pratiksha@gmail.com

Publication of Conference Papers (Special Sessions)

All papers will be published by IEEE Xplore. As well as indexed by SCOPUS

IEEE-CATALOG NUMBERS (ISBN): XPLORE COMPLIANT - CFP16E71-ART - 978-1-4673-9939-5
