

# International Conference on Electrical, Electronics & Optimizations Techniques

3<sup>rd</sup> – 5<sup>th</sup> March, 2016 | Tamil Nadu, India.

## Session Title - Signal Processing for Medical Images (SPMI)

### Theme and aim of the special section:

Medical imaging and digital signal processing are two technologies that have merged together very well and have given standard diagnostic tools more power for healthcare providers. This has led to better treatment of patients which in turn means a better quality of life.
